

Blessed Welcome

Jesus said, "Let the little children come to me; do not stop them;
for it is to such as these that the kingdom of God belongs."

(Mark 10:14)

Who are those in our world who need to be welcomed?

What might that welcome look like?

Magnetic Maze

When Jesus showed God's love and care, people were drawn to him, just as metal is drawn to a magnet.

Instructions

1. Cut out the figure of the child and decorate.
2. Tape the paper clip to the back of the figure.
3. Cut out the maze and glue it onto the cardboard.
4. Lay the figure of the child on its back, near one of the entrances to the maze.
5. Hold the magnet below the maze, where the paper clip is resting.
6. Imagine that the maze is the crowd of people between the child and Jesus.
7. Begin moving the magnet down a maze path to guide the child through the crowds.
8. How many different ways can you find to get to Jesus?
