

Coin Containers

The Fellowship of the Least Coin

The *Fellowship of the Least Coin* is a group that uses the gifts of small-value coins from many people to make a great difference to the lives of others. They support projects in more than 70 countries. As people give their small amounts of money they pray that God's love and peace will grow in the world. For more information, go to www.seasononline.ca and click on the Links tab.

Make a container to collect coins that can be donated to an outreach project.

1. Cover the outside of a plastic container with tissue or construction paper.
2. Cut out the symbols of giving and glue them onto your container.
3. Add other drawings of ways to give and other decorations if you wish.
4. Cut out the information about "The Fellowship of the Least Coin" and place it in your container as an example of the kind of serving ministry that can be supported.
